SARAH GORDON CURRICULUM VITAE

Full Name: Sarah George Gordon
Date of Birth: 24 April 2004
Nationality: Tanzanian
Marital Status: Single
Gender: Female
Postal Address: P.O. Box 4444, Dar es Salaam
Physical Address: Dar es Salaam, Tanzania
Mobile: +255745700923
Email: gordonsarah2404@gmail.com

CAREER OBJECTIVE

A motivated and detail-oriented Diploma finalist in Computer Science with practical experience in web and mobile application development, IT support, and system maintenance. Seeking an entry-level or internship opportunity in IT, software development, or technical support where I can apply my skills, continue learning, and contribute positively to organizational goals with professionalism and integrity.

PERSONAL PROFILE

A self-driven and responsible individual with strong interest in technology, system development, and digital solutions. Able to work independently or collaboratively in team environments, with a strong willingness to learn, adapt, and grow professionally. Known for a humble attitude, creativity, and commitment to quality work.

ACADEMIC BACKGROUND

2024 – Present
Diploma in Computer Science
University of Dar es Salaam, Dar es Salaam

2023 – 2024
Certificate in Computer Science
University of Dar es Salaam, Dar es Salaam

2018 – 2021
Certificate of Secondary Education
Kings Secondary School, Dar es Salaam

CERTIFICATIONS & AWARDS

February 2018
Certificate of Training in Positive Perspective
Organized by **CORA** in conjunction with **St. Joseph Millennium Secondary School**.

PROJECTS & PRACTICAL EXPERIENCE

- Led a student team as **Team Leader** in the development of a responsive **Web-Based Tourism Planner System for Tanzania** as a final semester project.
- Designed and developed an **Individual Mobile Application for Food Reservation**, focusing on usability and responsive design, as a course project.
- Developed an **Individual Web-Based Platform for Fashion Design** during the first semester, emphasizing layout, functionality, and user experience.
- Designed and developed a **Responsive Library Management System** with a well-structured database, user-friendly interface, and modern UI/UX during practical training at **iMart Group LTD**. The system supports efficient book management, user records, and overall library operations.
